

Additel 685Ex Digital Gauge / Recorder.

NOS

Specification

Additel digital recorder, with easy-to-use touch screen for logging of pressure.

Digital Logger – 40K PSI

Model	ADT685Ex
Area Classification	EX ATEX II1G EX ia IIC T4 Ga Zone 1
Z-015 Type	Non, Tool
Envelope Size in equipment box	335x295x122mm (LxWxH)
Weight	2kg
Logger specification	
Accuracy	0.05% of full span – built inn barometer
Display	Touch screen (3.4" FSTN segment capacitive)
MWP	40K PSI / 2 800 bar
Pressure units	Pa, kPa, MPa, psi, bar, mbar, kgf/cm2, inH2O@4°C, mmH2O@4°C, inHg@4°C, mmHg@4°C
Environmental	Compensated / operating temp: - 10°C to 50°C
	Humidity: 0-95%, Non condensing
Data logging	
Data storage	10 000 000 records
Rate	User selectable 0,1-9999,9 second interval
Connection	
Inlet pressure	1/4" HP Male
Digital connection	Bluetooth, USB Cable
